PRAYERS FOR DOUG KERR'S MISSION TRIP

Doug Kerr will be leaving on September 5 for a 6-day trip to Kenya. His primary focus will be to make contacts to gain support for the foundation that has been established for the work of the PCEA Orthopedic Clinic in Kikuyu, Kenya. Please pray for Doug's safe travels and for the work he has committed to on behalf of the clinic.

STAYING CONNECTED

It's not too late if you have plans to travel over the Labor Day weekend to share something of your travels with your First Pres. family. We'll leave the bulletin board in the Gathering Area up until after our Fall Kick-off on September 12 so everyone will have time to see where you've been and what you've been doing. Add your contribution to the collection of postcards, bulletins from other churches visited, pictures of summer activities, e-mails, etc.

FOR OUR YOUNGER WORSHIPERS

Childcare is available each Sunday morning for children age 4 and under; school-age children are invited to sit with their parents in the worship services. The pastors will be including a special time for children as part of the 10:45 worship service, and worship bags are available for those children who wish to use them. They are located at the back of the sanctuary on the coat tree. *Because new worship materials are added each week, please be sure the bags are returned to the coat tree, along with the clipboards and notepads.*

SAMARITAN SUPPER

Regular weekly meals will start again on Tuesday, September 14. Please remember those who attend our suppers when you are cleaning out your closets. Clothing and shoes for adults, especially men, are needed. Donations can be left in the designated bin in the Gathering Area.

SIZZLING SEPTEMBER SPREE

Many hands are needed to make the *Sizzling September Spree* a success this year. Scheduled for September 10-12, there are activities planned for all three days. *Sign-up sheets are located on the bulletin board in the Gathering Area.* Please consider how you can help with this community outreach event. If you have questions, please contact Alisha Finn.

The next prayer walk for the *Sizzling September Spree* will take place on September 10. Please meet at 7:00 AM at the Youth House. Those participating will walk for about an hour and then go have coffee or breakfast afterward and discuss what they have seen.

WANTED FOR THE SIZZLING SEPTEMBER SPREE

A used, in working-order microwave oven

Note: The oven will be used for some "wild" experiments at the Science Station (so you probably won't want it back). If you have one to donate, please contact Barbara Peak or the church office. Thank you!

- * Both Don Camp and Hemant Tandi had surgery this past week and are home recuperating.
- * Sandy Tillotson will be having foot surgery this coming Friday.
- * Please keep Doug Kerr and his mission in your prayers as he leaves for Kenya next week.
- * Let's keep the preparations for the Sizzling September Spree in our prayers; pray for enough volunteers, the training taking place this week and next and that the word will spread throughout the community about this event.
- * As fall approaches, many ministries of First Pres. are starting up again. Please note in the calendar those that will be meeting this week and pray for their work in this coming year.
- * We pray for safety for all of our church family who are traveling and vacationing.
- * We offer continued prayers for healing for members of this congregation who are dealing with illnesses or injuries.

PRESBYTERIAN WOMEN OF THE PRESBYTERY

See the notice and sign-up sheet on the bulletin board for this upcoming September 11 program at Union Presbyterian Church in Endicott, from 9:30 - 1:00. Rev. Pat Raube will be the main speaker, and a workshop on "Revelation" will be presented. Also, since *The Caller for Presbyterian Women of the Presbytery* is "going green," if you wish to receive this newsletter on line, please send your e-mail address to JoAnne Aynar at unpredictablejoa@aol.com

BACK TO SCHOOL DEACONS' PROJECT

Today is the last Sunday to contribute to the Deacons' school supplies project! If you forgot your items today, please bring them into the church office before this Wednesday, September 1. There are boxes set up in the copier room for donations of tissues, Clorox wipes, hand sanitizer, baby wipes, pencils, crayons, glue sticks, markers, folders and notebooks. The teachers and students are most appreciative of all of the helpful items received for those who are less fortunate than us. Thank you.

Bless the students

Dear Lord Jesus, bless the children and youth of this nation, returning to their schools and colleges. May your Holy Spirit enlighten their minds, purify their vision and strengthen their wills. Protect them as they learn in the classroom and participate in activities outside it. May they learn to follow in your steps, just as you grew in wisdom and stature, and in favor with God and man. Amen.

Do you enjoy working with young children??

- Teachers are needed to work with our youngest Sunday School class beginning this fall.
- We are also still in need of a child-care worker in the Crib Room during the 10:45 worship service.

Please contact Alisha Finn or the office if you are feeling called to work with the youngest members of our church family.
